Donald Everett, Jr.

November Meeting Details: Donald Everett and Becky Perrett will be speaking about The Sandwich That Launched a Chain of Restaurants. They will discuss how a recipe and a dream became what is what we know now as Runza Restaurants.

Donald Everett, Jr., President of Runza National, graduated with a Bachelor's of Science degree from UNL in 1990. Upon graduation, he started at the Runza National office as a District Supervisor, overseeing store operations for several locations. In 1997, he succeeded his father as President of the company. As president, he supervises franchising, new store construction projects, and serves as a liaison with financiers and stockholders. Donald's dedication to the Lincoln community is demonstrated by the leadership he provides as a board member for several organizations including the First Christian Church Foundation, Madonna Rehabilitation Hospital Board of Trustees, and West Gate Bank.

Becky Perrett

Becky Perrett, Director of Marketing at Runza National, earned a Bachelor's of Arts degree in Communication Studies from UNL in 1999. She was hired as a cashier at the 56th & Hwy 2 Runza location in the fall of 1998. After traveling as an Educational Leadership Consultant for her sorority, Becky began working at Runza National in the Marketing Department. In December 2004, she earned a Master's of Arts degree in an interdisciplinary program of Advertising, Marketing, and Communication Studies with an emphasis in Marketing. In the community, Beck enjoys volunteering for CEDARS Youth Services, Girls on the Run, Junior Achievement, and is a member of the American Marketing Association and the Junior League of Lincoln.

Looking Back: October 24th – Kevin Welsh, Senior Vice President and Wealth Advisor with Morgan Stanley, gave us insight into the stock market and investments. In 1999, he joined Morgan Stanley and began using his passion for finance to help individuals, corporations, and non-profits develop strategies to manage wealth. He grew up on a farm and learned first-hand that hard work, creativity, and resolve are necessary components of success.
